The Steering Committee invites you to prepare and to submit abstracts of original papers, dealing with conference themes. Please use on-line form or the e-mail to forward a title and a maximum 300 word abstract to the Conference Secretariat up to 27th February 2015. Abstracts should be written in English and should clearly state the purpose, results and conclusions of the work to be presented. The final manuscript should be written in English

5th International Proficiency Testing Conference

Second Announcement

Timisoara, Romania
(15)16th – 18th September, 2015

Organized by:

www.ceprocim.ro

AFSIC

Association of
Proficiency Testing
Providers

http://www.afsic.ro/about_en.html

in co-operation with:

**"POLITEHNICA" University
from Timisoara**

http://www.upt.ro/Universitatea-Politehnica-Timisoara_en.html

Introduction

This event will provide the framework for debates, for interchange of knowledge and expertise, of ideas and initiatives amongst academia, scientists, engineers, managers from supplier bodies of PT schemes, managers from laboratories of analyses and tests, from worldwide and from all ranges interested in Proficiency Testing (PT) and the connected areas with PT.

PT-Conf 2015 will include plenary speeches, invited presentations, contributed presentations and poster presentations. During the conference the interested persons will have the possibility to participate at working group discussions and at a training course. Conference proceedings will be distributed to all the participants and it will be put on the Internet.

The most important motivation for the conference is to learn from past failures, to not repeat the same mistakes.

Venue

The 5th International Proficiency Testing Conference 2015 will be held at the City Business Centre, building D from Timisoara, Romania the capital city of Timiș County, in western Romania.

One of the largest Romanian cities and considered the informal capital city of the historical region of Banat, Timișoara is the main social, economic and cultural center in the western part of Romania.

Themes

- Proficiency Testing Schemes (PTS)
- Reference Materials and Proficiency Testing (RM)
- Validation of Testing Methods and Proficiency Testing (VTM)
- Uncertainty of Measurement and Proficiency Testing (UM)
- Internal Quality Control of Analyses and Proficiency Testing (IQC)
- Metrology, Traceability and Proficiency Testing (MT)
- Accreditation of Quality Management and participation at Proficiency Testing (AQM)
- Development of the Analyses Methods in the Testing Laboratories (DAM)

Training course 1

New version of "ISO 13528: 2015. Statistical methods for use in proficiency testing by interlaboratory comparisons" – a new approach
chairmen: prof. Dan Tholen and dr. Piotr Robouch

Registered	Early registration Before 1 st July, 2015	Late registration After 1 st July, 2015
Training course 1	60 €	70 €

Training course 2

During the conference works a training course, free of charge "Use of Reference Materials" TrainMiC program - Coordinated by EC-JRC-IRMM, will be organized.

Excursion

On the 19th September 2015, a one-day visit will be organized at the wine cellar from Recas (optional, additional costs)

Registered	Early registration Before 1 st July, 2015	Late registration After 1 st July, 2015
